"Excellent! This is a must tour" - Elaine Ryan NH USA

"Best tour taken, absolutely outstanding" - Danny & Sandra Blakley USA

## Acrobatic Dolphins

In season, the St. Anthony coast has the greatest concentration of white-beaked dolphins in the North Atlantic. These curious animals will be delighted by your presence and are waiting for you. Come witness their speed and agility as they playfully leap and race our bow.

## Shimmering Icebergs

Explore the northern corridor of Iceberg Alley which consistently has more icebergs than any other area of Newfoundland. The beauty of these shimmering mountains of ice will rejuvenate your soul. When they appear, feel the chill in the air as you pass a 15,000 year old iceberg. Taste the purest water on earth- iceberg ice.

## Splendid Birds, Caves & Local Legends

You'll be awestruck by the splendor of our bird life and cave formations. Observe the majesty of the northern gannet in flight. Visit fascinating nesting sights of puffins, kittiwakes, guillemots and eider ducks. Experience the excitement of viewing one of Newfoundland's largest sea caves while listening to stories about local legends.

### Excursion 1: Discovery Tour

Join this 2.5 hour award winning tour. Icebergs, whales, dolphins and seabirds are just some of the highlights. Enjoy breathtaking scenery and traditional music. Relax in the comforts of a 50 foot vessel while being entertained by stories and interpretation on our unique heritage.

### Excursion 2: Zodiac Adventure Tour

Get ready for a trip of a lifetime. It's thrilling, fun, educational and as close to nature as it gets. In season, you'll visit puffins, bald eagles, towering cliffs and fascinating sea caves. We'll watch for icebergs and whales along the way. Interpretation provided by a local naturalist.

"Very friendly, informative & exciting" - Pat O'Brien ON, CA

"Loved seeing the many seabirds"

## Unforgettable Whales

The coastal waters off St. Anthony are noted for its annual gathering of humpback whales and having the longest whale season in NL. Sightings of minke, fin and killer whales are common. When the whales arrive, savor the sounds of their acoustical blows or watch them breach nearby.
