"I can't recommend it highly enough!"
-FRANK'S GUEST

Shimmering Icebergs

Explore the northern corridor of Iceberg Alley which consistently has more icebergs than any other area of Newfoundland. The beauty of these shimmering mountains of ice will rejuvenate your soul. When they appear, feel the chill in the air as you pass a 15,000 year old iceberg. Taste the purest water on earth - iceberg ice.

Splendid Birds, Caves and Local Legends

You'll be awestruck by the splendor of our bird life and cave formations. Observe the majesty of the bald eagle in flight. Visit fascinating colonies of kittiwakes, guillemots and arctic terns. Experience the excitement of viewing one of Newfoundland's largest sea caves while listening to stories about local legends.

Unforgettable Whales

The coastal waters off St. Anthony are noted for its annual gathering of humpbacks and dolphins. Sightings of minke, fin and killer whales are common. When the whales arrive, savor the sounds of their acoustical blows or watch them breach nearby. Witness the speed and agility of white-beaked dolphins as they playfully leap and race our bow.
